JUST RETURNED FROM SUMMER'S MORE COLORFUL, SHOES-OFF SPACES, WE EXPERIENCE ANEW THE BEAUTY OF ELEGANT, NEUTRAL-TONE ROOMS LIKE THESE.

A nineteenth-century Oushak rug and wheelback chairs covered in red leather add just a blush of color to this grand dining room in Boston's Back Bay, while its *faux marbre* columns, curtains and curvaceous antique English chandelier are carefully harmonized in shades of brown.

MICHAEL J. LEE
